

WELDTEX PANTALÓN

Ref.

❓ The **Weldtex Pants by Solter** are the ideal choice for professionals seeking resistance, safety, and comfort in demanding work environments. Designed with flame-retardant materials and reinforced in key areas, these pants ensure protection against sparks and heat, making them perfect for welders and industrial workers. With an ergonomic design and reinforced knees, they provide mobility and durability throughout the workday. Equip yourself with the best and work with confidence!

Materials and Composition:

- ❓ **75% FR Cotton** ❓ Provides comfort and heat resistance, with a flame-retardant treatment that protects against splashes and sparks.
- ❓ **24% Polyester** ❓ Provides durability and wear resistance for prolonged use.
- ❓ **1% Fibra Antiestática** ❓ Reduce la acumulación de electricidad estática, mejorando la seguridad durante su uso.

Main Features:

- ❓ **Advanced Flame-Resistant Protection:** Fire-resistant fabric that minimizes risks in extreme environments, ideal for **welders and metallurgical operators**.
- ❓ **Secure Closure with Heat-Resistant Zipper :** High-durability closure system that provides safety without compromising functionality.
- ❓ **Reinforced Seams and Extreme Resistance :** Robust design in key areas such as **knees and crotch**, providing greater durability against industrial wear.
- ❓ **Functional Pockets with Velcro Closure :** **Two upper pockets and one side pocket**, ideal for essential tools and work accessories.
- ❓ **Breathable and Lightweight Fabric :** Allows **heat dissipation and prevents overheating**, ensuring comfort during long work shifts.
- ❓ **Ergonomic Design and Total Flexibility :** Optimized fit that **facilitates unrestricted movement**, adapting to the operator's needs.
- ❓ **Anti-Static Properties and Electrical Insulation :** Reduces risks in environments with accidental electrical discharges.
- ❓ **The Weldtex pants by Solter provide you with safety, durability, and comfort in the most challenging industrial environments. Invest in your protection today!**
